General No. 486 / Rev. No. 233 } 1879-80.

Sir,

I have the hon. to submit copy of Sirsi Deputy Commissioner's letter No 496 of the 18th instant regarding the claim of one Shantier Bhut Pujari of Banashan. Shri temple in the Halladgi Gilla for the grant of 2 maunds of Sandalwood due to the temple from the Sagore State, and to state that under the circumstances therein represented, I have no objection of the D. C's

No 277 dated 18th October 1871.

ordered the Deputy Commissioner to grant the wood, as the period prescribed in the Chief Commrs Notification was exceeded by 9 days only. The Deputy Commissioner has been also told that the practice of sending notices to Inamdars annually should be discontinued, as it rests with the applicants to prefer their demand within the time prescribed.

Nagar Div.

Sir,

I have the honor to submit an Arzee presented to me on the 10th Instant by Shankarbhut Pujari of the Banashankari temple in the Kalladgi Zillah, claiming the grant of 2 mann (1 mann = Rs 960 weight) of Sandalwood due to the temple from Mysore State for 1878-79.

2. The petitioner appeared before the Inwarding Officer on the 9th Instant and claimed the wood, but was told that as more than six months had elapsed after the close of the year for which the Sandalwood was due, it could not be granted, as per Notification No 277 dated 18th October 1871, published in the Mysore Gazette dated 28th Idem.

3. The petitioner is a resident of Kalladgi Zillah. The practice hitherto

~~issu~~ this District was to give yearly notices to all the grantees of sandalwood in the terms of the Chief Commissioner's Notification.* *herein enclosed.

4. The present Inspecting officer however discontinued the said practice this year, under the impression that the Chief Commissioner's Notification, which was duly published in the Gazette, was sufficient to the purpose.

5. As the petitioner was by the practice of this District induced to expect a notice for the wood due for 1878-79, I would beg to recommend that the delay on the part of the petitioner in claiming it may be overlooked and the grant made, as the limit has been exceeded by only nine days and the petitioner had to come from a distant country.

6. It also appears to me that in such cases the District officer should be empowered to condone for sufficient reason, default on the part of recipients of sandal to — attend within time.

Sir,

With reference to the Chief Commissioner's Proceedings No. 4168/726 dated 8th November 1879, I have the honor to state that Shankarbhat, Pujari of the Banashankari temple at Bādāmi, Kaladgi district of the Bombay Presidency, has applied in person for the two maunds of Sandalwood due to the temple for 1879-80.

2 It appears he came to Shimoga a month ago, presented an arzi to the Forest department for the sandal and went to Sringeri, but on his return, he was told that he should apply to this office, which he should have done within September last, but he could not do so as he says he fell sick, and the distance to be travelled was about 150 miles. It is

also solicits that the time within which Sandal should be taken in future may be extended in his case up to the month of December, after the close of the year, for which it is due, in order to enable him to come to Shimoga after the rainy season.

3. I would recommend that as a special case the above request may be granted, and that the Sandal due for 1879-80 be issued, as this is the first default after the issue of the notice under para 3 of the Order under reference.

4. As the applicant, who is a stranger to this place, would be put to much inconvenience if detained here till the receipt of a reply to this letter, I have in anticipation of sanction permitted the issue of the wood for 1879-80, and served him with a notice that such indulgence cannot

e shown again.
